Description and programme

The minimum number of participants is 36.

Amalfi is a picturesque seaside town in southern Italy on the world-famous Amalfi Riviera (Costiera Amalfitana). It lies between steep cliffs and the turquoise Tyrrhenian Sea and is known for its rich history,

narrow streets, medieval architecture and exceptional atmosphere.

Unforgettable views and photogenic spots await you, a combination of relaxation, history and nature, rich culture and excellent cuisine, and the unique atmosphere of a smaller Italian town.

The Amalfi Coast is one of the most picturesque places for cycling in Italy; it is technically demanding but extremely rewarding. It combines narrow winding roads, steep climbs and descents and breathtaking views of the Tyrrhenian Sea. The routes are more demanding but shorter. The reward will certainly not pass you by.

May is the most beautiful month on the citrus coast, with an average daytime temperature of 23–25 degrees, few tourists and light traffic. The sea temperature is approx. 18–19 degrees, with stable weather ideal for walks and cycling.

Itinerary:

During the tour we will see Venice, Naples, Pompeii, Valico di Chiunzi, Vietri sul Mare, Amalfi, Capri, Paestum, Sorrento, Salerno, Positano, Praiano. And much more...

Insurance: please note that we need your full details for every tour (first name, surname, date of birth, ID or passport number, personal ID number, telephone contact, e-mail address). We recommend taking out annual travel insurance that includes tour cancellation cover (indicative price 150 EUR). This is an annual policy valid for all trips in the year and we can arrange it for you. Annual insurance is very advantageous and necessary for people over 70. It is important for us to know whether you already have another type of insurance.
